Sustainability of Mineral Resources and the Environment
Bratislava, 21st – 22nd November 2016

Session 1  Raw materials as a social value – Recognizing the importance of mineral resources for national economy
15:30 – 15:50  Acceptance of mining – Austrian experiences, Dr. Robert Holnsteiner, Federal Ministry of Science, Research and Economy, Austria
15:50 – 16:10  Czech foreign trade on mineral raw materials, Dr. Pavel Kavina, Ministry of Industry and Trade of the Czech Republic
16:10 – 16:30  Coal mining in Slovakia & Environment, Mr. Karsten Ivan, Hornonitrianske bane Prievidza, a.s.
16:30 – 16:50  The exploration and exploitation phases value chain as a framework for industrial realization of deep seabed mining, Dr. Tomasz Abramowski, Interoceanmetal Joint Organization

Session 2  Supporting EU Manufacturing with secondary raw materials
16:50 – 17:10  Current situation for selected secondary mineral resources, Ass.Prof. Johann Fellner, Christian Doppler Labor für Anthropogene Ressourcen, Technische Universität Wien
17:10 – 17:30  WEEE (Waste Electrical and Electronics Equipment) in Europe versus circular economy, Prof. Joanna Kulczycka, Polish Academy of Sciences, Warsaw
17:30 – 18:00  Questions and Answers

19:30  Welcome Dinner, Bratislava Flag Ship Restaurant
Sustainability of Mineral Resources and the Environment  
Bratislava, 21st – 22nd November 2016

Tuesday 22nd November

Session 3  Social licence to operate – How to improve the extractive’s industry’s image to society
08:30 – 08:50 „EITI implementation in Germany“ - Dr. Thomas Gäckle, Head of Directorate „Raw Materials Policy“, Federal Ministry for Economic Affairs and Energy, Germany
08:50 – 09:10 State of implementation of Directive 2006/21/EC – Assessment of EU Member States implementation reports, Ms. Marie Dollhofer BiPRO GmbH
09:10 - 09:30 Environmental aspects of magnesite mining and processing in SMZ, a.s. Jelšava, Mr. Peter Košinár, Mr. Július Buchta, SMZ Jelšava
09:30 – 09:50 Questions and Answers

09:50 – 10:20 Coffee Break

Session 4  Social licence to operate – How to resolve the extractive’s industry’s long-term impacts on society - Case studies from the new EU’s Mine Competence Centre
10:20 – 10:40 Integrating environmental remediation into the life-cycle management (including decommissioning) of mining and milling sites, Dr. W. Eberhard Falck, Ancien Professeur Sciences de l'Environment UVSQ
10:40 – 11:00 Enhancing implementation and capacities: The new EU Mining Mentor Centre and its objectives, Dr. Corina Hebestreit, Euromines
11:00 – 11:20 Rehabilitation case from Belgium: Approach of a regional heavy metal pollution caused by non-ferrous industry, Dr. Jan Bronders, VITO, Belgium
11:20 – 11:40 Green Bridge Competition – The Best Rehabilitations Projects of the Czech Republic, Mr. David Póč, Těžební unie ČR (Mining Association of the Czech Republic)
11:40 – 12:00 Questions and answers
Sustainability of Mineral Resources and the Environment
Bratislava, 21st – 22nd November 2016

12:00 – 13:30 Lunch

Session 5 Rehabilitation and reclamation, extraction and the environment – a win-win situation - Case studies

13:30 – 13:50 Application of the Mitigation Hierarchy across the project timeline, Mr. Johannes Drielsma, Euromines

13:50 – 14:10 Ireland’s a rehabilitation policy eliminating risk and providing benefits, Dr. Eibhlin Doyle, Chief Geologist of Department of Communications, Energy and Natural Resources of Ireland

14:10 – 14:30 Reclamation and revitalisation in the extractive industry in Poland – innovative projects lead by Mining and Geoengineering Faculty of AGH UST, by: Assist. prof. Anna Ostrega, Prof. Marek Cała, Faculty of Mining and Geoengineering, AGH University of Science and Technology

14:30 – 14:50 Coffee Break

14:50 – 15:10 Experiences with abandonment of environmental burden related to crude oil production, Ms. Monika Matejová, Mr. Michal Ševera, NAFTA a.s.

15:10 – 15:30 Industrial and ornamental limestones quarrying inside a Natura 2000 area, Mr. Luís Martins, Assimagra

15:30 – 15:50 Questions and Answers

15:50 – 16:10 Closing Remarks
